

WELLNESS WEEKEND
From Thursday to Sunday

Day II (afternoon)

HAMMAM TREATMENT

The real wellness treatment. After a short shower your wet skin is ready to receive the savonage, with the black olive soap, rich in vitamins to feed and clean your skin before the vapour bath that prepares the skin to be treated with kassa, vegetable fibres glove to eliminate death cells and impurities turning it soft and bright. If you do this ritual regularly it will give you deep benefices, allowing you vitality and wellness not only to your skin but to all the organism, growing the action of any other next treatments.

PRELIMINARY FACE TREATMENT

Based on aromatic products with natural active principles, the sweet and creamy texture turns the treatment moment in a pleasure ritual of relax and energy. Modern tools and the most effective methods of the cosmetic practise. Ultrasounds to deeply clean and to sweetly massage your skin. The ultrapeel function make a deep exfoliation and, with the nourishing massage, stimulates the flow of blood and oxygenates the tissues, rising the penetration of the products.

DRENANT MASSAGE

To reduce the liquid amass and to favour the elimination of the toxic substances.

EASYSLIM

Strong vibrant massage that from the foot comes through the leg to all body.

Day III (afternoon)

HANDS TREATMENT

To give your hands young and beautiful aspect. Sea salts peeling to eliminate death cells, milk and honey mask and a short massage leave your hands sweet and bright.

FEET TREATMENT

To relax tired feet, solving contractures and soreness. Exfoliation, fresh bath and whirlpool massage, nails modelling, mask and massage will reborn your feet.

HYALUTECH FACE TREATMENT

Botox effect, extraordinary results, immediately relaxing effect over the expressions wrinkles, just with only one session.

AROMATHERAPIC MASSAGE

Dynamic and wrapping massage to recreate and profound both mental and physic equilibrium to harmonize body and soul with the wonderful flavours of essential oils.
